TECH SAVISHKAAR

REPORT ON TECH SAVISHKAAR

Tech Savishkaar is a national level hackathon that gives students an opportunity to address the most serious issues we confront on a daily basis, fostering a culture of product innovation and a problem-solving mindset in the process. The objective of this hackathon is to encourage healthy competition and giving students an insight as to where they stand. It is a good platform for students to learn, build and create applications by using technology. This Hackathon is open for students across India who are pursuing either BE/B.Tech/ME/M.Tech (all specializations). The program is spread over a period of 4 weeks across different phases of the hackathon and the participants are expected to be available to work on the challenge with their teams during this duration as and when they progress through each phase. This is a team based event and allows participation of five per team.

The Department of Information Technology from Vasavi College of Engineering, Hyderabad, in partnership with ACM Chapter (Hyderabad Deccan), CSI (Region 5), CCC, IEEE (CIS/GRSS Vasavi Student Chapter), SWAYAM and DSAC IT conducted the hackathon.

TECH SAVISHKAAR

WHERE CREATIVITY MEETS CODE

Tech Savishkaar is a unique opportunity for individuals from various backgrounds to collaborate and showcase their skills. It's a platform for you to learn, create, and network with like-minded individuals from the industry.

ROUND 1	ROUND 2	ROUND 3	Domains for the Hackathon
Coding Assessment Each team will be provided a set of questions across domains and will be evaluated on speed, accuracy, and topic knowledge. ONLINE 19-2-2023	Idea Presentation The selected teams must present a proposed solution for a problem statement from the list of domains. ONLINE 27-2-2023	The Final Hack The shortlisted teams are required to present a prototype of the suggested solution to the judges. OFFLINE 18-3-2023	AGRICULTURE EDUCATION HEALTH CARE STUDENT INNOVATION RENEWABLE ENERGY

Total cash prizes worth **1.25 Lakh** across all 5 domains.

Each team can have **1 - 5** members.
Teams can participate for free in Round 1 & 2.
Entry fee of **Rs. 500** per team for the teams advancing to Round 3.

TECH SAVISHKAAR

Duration: 90 minutes

Timings: 3pm to 12pm

Platform: Unstop

No. of questions: 4

The top **138 teams** were selected to move on to the second round.

Round 2:

The nominated teams chose a problem statement from the list of domains and submitted a presentation outlining the problem statement's solution in detail. The presentation included use cases, tech stack, UVP (unique value proposition) and video. Each team was allowed to submit multiple solution across domains.

Start Date: 23rd February 2023

End Date: 3rd March 2023

Evaluation Criteria:

- ✓ Novelty of the idea
- ✓ Scale of impact
- ✓ Feasibility
- ✓ Potential for future work progression and confidence on technology stack
- ✓ Prescribed PPT format

In total, **105** teams submitted their presentations. Some of the teams submitted more than 2 themes. Total we received **125** idea presentations. We had a wide range of participants with a fair combination of multidisciplinary and specialized expertise.

Number of teams submitted for idea ppt round
