TECH SAVISHKAAR 2.0

REPORT ON TECH SAVISHKAAR 2.0

Tech Savishkaar 2.0 is a national level hackathon that gives students an opportunity to address the most serious issues we confront on a daily basis, fostering a culture of product innovation and a problem-solving mindset in the process. The objective of this hackathon is to encourage healthy competition and giving students an insight as to where they stand. It is a good platform for students to learn, build and create applications by using technology. This Hackathon is open for students across India who are pursuing either BE/B.Tech/ME/M.Tech (all specializations). The program is spread over a period of 4 weeks across different phases of the hackathon and the participants are expected to be available to work on the challenge with their teams during this duration as and when they progress through each phase. This is a team based event and allows participation of five per team.

The Department of Information Technology from Vasavi College of Engineering, Hyderabad, in partnership with ACM Chapter (Hyderabad Deccan), CSI (Region 5), IEEE (CIS/GRSS Vasavi Student Chapter) and DSAC IT conducted the hackathon. The hackathon comprises three rounds under 5 domains as Agrotech& Sustainable development, Healthtech, Heritage& Culture, Smart Education and Student Innovation. The first two rounds were conducted online and the final round will be hosted in our college campus on 1st April 2024.

TECH SAVISHKAAR 2.0

WHERE CREATIVITY MEETS CODE

Tech Savishkaar is a unique opportunity for individuals from various backgrounds to collaborate and showcase their skills. It's a platform for you to learn, create and network with like-minded individuals from the industry.

ROUND 1
Coding Assessment
Each team will be provided a set of questions across domains and will be evaluated on time, accuracy and conceptual knowledge.
ONLINE | 10-3-2024

ROUND 2
Idea Presentation
The selected teams must present a proposed solution for a problem statement from a given list of domains.
ONLINE | 16-3-2024

ROUND 3
The Final Hack
The shortlisted teams are required to present a prototype of their suggested solution to the judges.
OFFLINE | 1-4-2024

Domains for the Hackathon

AGROTECH	STUDENT INNOVATION
SMART EDUCATION	HERITAGE & CULTURE
HEALTHTECH	

Total cash prizes worth
1.25 Lakh
across all 5 domains.

Each team can have **1 - 5** members.
No entry fee for Round 1 & 2.
Entry fee will be **Rs. 500** per team for the teams advancing to Round 3.

TECH SAVISHKAAR 2.0

The hackathon attracted a large number of participants, with 468 teams of registrations from nation wide. . We had a wide range of participants registered from IIT's, NIT's and reputed engineering colleges from other states like Maharashtra, Tamilnadu, Uttarpradesh and Andra Pradesh.

Round 1: The first round was a coding round, with **308** teams competing. The coding round likely tested participants' programming skills and problem-solving abilities.

Date: **10th March 2024**

Duration: 90 minutes

Timings: 10am to 8pm

Platform: Unstop

No. of questions: 4

The top **164** teams were selected to move on to the second round.

Round 2:

The nominated teams chose a problem statement from the list of domains and submitted a presentation outlining the problem statement's solution in detail. The presentation included use cases, tech stack, UVP (unique value proposition) and video. Each team was allowed to submit multiple solution across domains.

Start Date: 12th March 2024

End Date: 18th March 2024

TECH SAVISHKAAR 2.0

Evaluation Criteria:

- ✓ Novelty of the idea
- ✓ Scale of impact
- ✓ Feasibility
- ✓ Potential for future work progression and confidence on technology stack
- ✓ Prescribed PPT format

In total **153** teams submitted their presentations. Some of the teams submitted more than 2 themes. Total we received **195** idea presentations. We had a wide range of participants with a fair combination of multidisciplinary and specialized expertise.

Number of teams submitted for idea presentation			
Domain	Within the state	Other states	Total
Healthtech	35	05	40
Heritage & Culture	23	05	28
Student innovation	19	05	24
Agrotech and Sustainable development	38	06	44
Smart Education	55	04	59
Total Number of teams submitted	170	25	195

Round-3:

We have evaluated all 195 pts internally by the faculty based on the evaluation criteria and shortlisted **87** teams. These 87 pts were sent to the external reviewers for the final selection. Finally, **52** teams were selected for the grand finale hackathon.

Team registration fees is 500 Rs. For the final round total number of team registrations are 46. Number of participants are 199. For each domain the team registrations are as follows.

Number of teams registered for final round			
Domain	With in the state	Other states	Total
Healthtech (Reviewed by Mr. Dharma Reddy)	8	1	9
Heritage & Culture (Reviewed by Mrs.C.Sireesha & Dr. Raghavendra)	7	1	8
Student innovation (Reviewed by Mr. Krushi Raj T)	13		13
Agrotech and Sustainable development (Reviewed by Dr. Hitendra Sarma T)	7	2	9
Smart Education (Reviewed by C.Sireesha & Dr. Raghavendra)	6	1	7
Total Number of teams registered	41	5	46
