NATIONAL LEVEL HACKATHON "TECH SAVISHKAAR 3.0 - 2025"

Where Creativity Meets Code

REPORT ON TECH SAVISHKAAR 3.0

Tech Savishkaar 3.0 is a national level hackathon that gives students an opportunity to address the most serious issues we confront on a daily basis, fostering a culture of product innovation and a problem-solving mindset in the process. The objective of this hackathon is to encourage healthy competition and giving students an insight as to where they stand. It is a good platform for students to learn, build and create applications by using technology. This Hackathon is open for students across India who are pursuing either BE/B.Tech/ME/M.Tech (all specializations). The program is spread over a period of 4 weeks across different phases of the hackathon and the participants are expected to be available to work on the challenge with their teams during this duration as and when they progress through each phase. This is a team based event and allows participation of five per team.

The Department of Information Technology from Vasavi College of Engineering, Hyderabad, in partnership with ACM Chapter (Hyderabad Deccan), CSI (Region 5), IEEE (CIS/GRSS Vasavi Student Chapter) and DSAC IT conducted the hackathon. The hackathon comprises three rounds under 5 domains as Agritech, Environment & Sustainable Development, Remote Sensing and Geo Spatial Applications, Healthtech and Student Innovation. The first two rounds were conducted online and the final round will be hosted in our college campus on 22nd February 2025.

DEPARTMENT OF INFORMATION TECHNOLOGY PRESENTS

TECH SAVISHKAAR 3.0

Where Creativity Meets Code

Tech Savishkaar is a unique opportunity for individuals from various backgrounds to collaborate and showcase their skills. It's a platform for you to learn, create, and network with like-minded individuals from the industry.

ROUND 1: CODING CHALLENGE
Each team will be provided a set of questions across domains and will be evaluated on speed, accuracy, and topic knowledge.
ONLINE: 3 HOURS | 27-01-2025

ROUND 2: IDEA PRESENTATION
The selected teams must present a proposed solution for a problem statement from the list of domains.
ONLINE: 20 MINUTES | 03-02-2025

ROUND 3: BUILD & PRESENT APPLICATION
The shortlisted teams are required to present a prototype of the suggested solution to the judges.
OFFLINE: 12 HOURS | 22-02-2025

Total cash prizes worth **1.25 Lakh** across all 5 domains.

Each team can have **1 - 5** members.
Teams can participate for free in Round 1 & 2.
Entry fee of **Rs. 1000** per team for the teams advancing to Round 3.

NATIONAL LEVEL HACKATHON "TECH SAVISHKAAR 3.0 - 2025"

Where Creativity Meets Code

The hackathon attracted a large number of participants, with 549 teams of registrations from nation wide. We had a wide range of participants registered from IIT's, NIT's and reputed engineering colleges from other states like Maharashtra, Tamilnadu, Uttarpradesh, Kerala, Punjab, Coimbatore and Andhra Pradesh. Round 1: The first round was a coding round, with **339** teams competing. The coding round likely tested participants' programming skills and problem-solving abilities.

Date: **27th January 2025**

Duration: 90 minutes

Timings: 07 am to 10.30 pm

Platform: Unstop

No. of questions: 4

The top **110** teams were selected to move on to the second round.

The screenshot shows the Unstop website interface for the Tech Savishkaar 3.0 hackathon. The top navigation bar includes links for Internships, Jobs, Competitions, Mentorships, Practice, and More. The main banner for the hackathon is prominently displayed, featuring the Vasavi College of Engineering logo and accreditation details. The banner text reads: "VASAVI COLLEGE OF ENGINEERING (Autonomous) Accredited by NAAC with A++ Grade Hyderabad - 500031 DEPARTMENT OF INFORMATION TECHNOLOGY". Below this, the hackathon title "TECH SAVISHKAAR 3.0" is shown in large, colorful letters, followed by the tagline "Where Creativity Meets Code" and the prize amount "TOTAL CASH PRIZES WORTH 1.25 LAKH". The bottom section of the page provides details about the hackathon, including the title "Tech Savishkaar 3.0", the location "Vasavi College of Engineering (VCE), Hyderabad", the status "Online", the update date "Updated On: Jan 30, 2025", and the prize amount "Prizes worth ₹1,50,000". On the right side, there is a "Free" label, a "Registration Closed" button, and statistics: "Registered 1,649", "Team Size 1 - 5 Members", and "Impressions".

Round 2:

The nominated teams chose a problem statement from the list of domains and submitted a presentation outlining the problem statement's solution in detail. The presentation included use cases, tech stack, UVP (unique value proposition) and video. Each team was allowed to submit multiple solution across domains.

Start Date: 07th February 2025

End Date: 14th February 2025

Evaluation Criteria:

- ✓ Novelty of the idea
- ✓ Scale of impact
- ✓ Feasibility
- ✓ Potential for future work progression and confidence on technology stack
- ✓ Prescribed PPT format

NATIONAL LEVEL HACKATHON "TECH SAVISHKAAR 3.0 - 2025"

Where Creativity Meets Code

In total **110** teams submitted their presentations. Some of the teams submitted more than 2 themes. Total we received **166** idea presentations. We had a wide range of participants with a fair combination of multidisciplinary and specialized expertise.

Number of teams submitted for idea presentation			
Domain	Within the state	Other states	Total
Healthtech	25	6	31
Environment and Sustainability	24	1	25
Student innovation	59	4	65
Agritech	29	2	31
Remote Sensing and Geo Spatial Applications	13	1	14
Total Number of teams submitted	142	14	166

Round-3:

We have evaluated all 166 pts internally by the faculty based on the evaluation criteria and shortlisted **62** teams. These 62 pts were sent to the external reviewers for the final selection. Finally, **26** teams were selected for the grand finale hackathon.

Team registration fees is 1000 Rs. For the final round total number of team registrations are 46. Number of participants are 199. For each domain the team registrations are as follows.

Number of teams registered for final round			
Domain	With in the state	Other states	Total
Healthtech (Reviewed by Mrs.C.Sireesha & Mr. Krushi Raj T)	25	6	31
Environment and Sustainability (Reviewed by Mrs.C.Sireesha & Mr. Krushi Raj T)	24	1	25
Student innovation (Reviewed by Mr. Dharma Reddy & Mr. Amit Kumar Gupta)	59	4	65
Agritech (Reviewed by Dr. Hitendra Sarma T & Dr. Raghavendra)	29	2	31
Remote Sensing and GeoSpatial Applications (Reviewed by Dr .Hitendra Sarma T & Dr. Raghavendra)	13	1	14
Total Number of teams registered	142	14	166
